

Thomazeau Crowd

Voodoo Priest Saved, now Preaching

Pastor Eddy and the team conducted the November crusade in Thomazeau, Haiti. The crowd was 4,000 to 5,000 each night and 96 people were saved. There was a Voodoo priest present whose boy was very sick. His testimony is, "I went home and I had a bottle of magic oil that I would rub on my son. But I felt that if I rubbed it on him he would die, so I prayed in the name of Jesus, as I had learned at the crusade. He was healed." The next night the Voodoo priest gave his testimony and accepted Christ saying that he knows that Christ is more powerful than all the Voodoo gods. The following Sunday in church he was encouraging the Christians saying, "Why are you sitting still? We would dance all night to get our gods to manifest. You have to praise God, He is so good!" This was a notable miracle because everyone in Thomazeau knew what a wicked man he was.

Reinhard Bonnke Crusade, Lagos

Anne and I attended Reinhard's Farewell Crusade, his last sermon in Africa. There were 750,000 people present. I learned so much that will improve our crusades in Haiti.

Even the anointing on my ministry grew.

Church Paul, Pastor Jude

Preaching in Nigeria

Pastor Church Paul took us preaching in Nigeria and the Holy Spirit really moved in power. In one meeting a few people began to shake, and as I stepped off the platform to touch them, the Holy Spirit knocked the whole choir to the floor; they were shaking, rolling and screaming. Later the testimonies revealed that God was doing a wonderful work in people's lives. But at the moment it seemed chaotic, yet glorious.
