

News, News, Good News

Dear Mac,

Lots of new things. To start we have a new website with lots of great photos. Second I am traveling to Nigeria for Reinhard Bonnke's Farewell to Africa Crusade, and then preaching in three cities with Rev. Church Paul. But to start here are some stories, like the Acts of the Apostles, from our own team of Precious Pearl Missionaries. Each month they write reports, here are a few.

Two brothers, Venus and Celhonneur Simon: "There was a 7 years old a young girl, she fell and died while going to school, so all of her family was crying. One of them called us we prayed for her and she came back to life in Jesus name."

Christophe Esmith (leader of the missionaries): "In one preaching 70 people gave their lives to Christ."

Edy Dorvil: "I prayed for lady who died after having a fever and stomachache and demon so her family called me and I called Christophe we prayed for her and she came back to life again."

Yves Louis: "There was a woman, Marimatte, who had hemorrhoids like she could not do number 2 well. So she went to the hospital and they said they would have to operate. She was passing by our ministry and we were having fasting prayers. She came in and there was a girl who got healed in the meeting. When Marimatte saw that she came forward and asked for prayer also. After I prayed for her I took a bottle of water and prayed over it and asked her to clean herself with the water when she got home. In the morning she called and told us that she got healed."

Jean Rony Jean Francois: "In our ministry 6 people gave themselves to Jesus. There is a sick woman with pain in her foot, she can't walk since 4 years. We taught the Word of God about healing, she exercised her faith and received a miracle. We told her, 'Stand up and walk in the name of Jesus.' She began to walk quickly and kept walking for 25 minutes."

Denis Exama: "One day when I was preaching someone called me and told me my wife is sick. I continued to preach and when they did not see me they called a taxi to take my wife to the hospital. In a little while I arrived home, my house was full of people and the taxi was there too. I told them, 'Let me pray first.' When I finished my wife became good, everybody left and the taxi too, and we are in victory in Jesus Christ. Amen."

Where do they go? Celhonneur Simon goes to Coupeau, a small hamlet in the mountains behind Carrefour. "When I go by foot I take 4 hours, when I go by motorcycle I take 1 hour and 1/2."

The team of 24 missionaries started as on fire Christians, but they have become mighty men and women of God. We give all glory to God for the miracles, signs and wonders and salvations.

Church Paul and Mac Barnes

The Crusade Team will be having November's Crusade in Thomazeau, Haiti, without me. Anne and I will be traveling to Nigeria for Reinhard Bonnke's Farewell to Africa Crusade that is expected to have over a million people each night. Then we will be preaching with Church Paul in Lagos, Enegu, and Abuja. Please pray for the crusade in Thomazeau and for our anointing and protection as we travel.
